Notes

The original paper copy has a few errors that have been corrected in this version

The difficulty with this version is that there are not leg cumulative times making it hard to detect errors.

In correcting the results it is assumed that the cumulative time is more accurate than the individual time which is manually calculated.

Each leg has a recorded or is calculated from the individual times where not stated. The final results are used to work back to the previous legs in all cases.

Leg 1

There are 103 teams entered but only 101 recorded as finishers on leg 1.

Inverness H A is recorded at position 32 on leg 2 between times 49.25 and 50.02 but not on Leg 1.

Clydesdale H C is recorded at position 65 in leg 2 between times of 54.13 and 54.32 but not Leg 1.

Leg 1 Decision

Inverness H A 1st leg athlete I.Mitchell had to run between 23.35 and 23.52 to be consistent with the cumulative times. They were added at position 1:

Clydesdale H C is allocated the 47th position and Clydesdale H B inserted into position 59

Leg 2

Two teams Inverness and Clydesdale were added to leg 1 giving 103 finishers.

4 teams that appear in Leg 1 do not appear in leg 2 : Linlithgow AC A;Westerlands CCC C;Heriot Watt University AAC B and Fife AC C

Leg 2 Decision

Linlithgow AC A reappears in leg 3 and the time is estimated.

A number of individual times have been altered to match the finishing position. There are many ways of doing this and thus the accuracy in leg 2 is questionable.

Leg 4

EAC E is recorded as finishing in positions 36 and 78

Garscube H A is recorded as finishing in positions 33 and 72

Irvine AC A is recorded as finishing in positions 23 and 47

Leg 4 Decisions

EAC E is in positions with Clydesdale H A in position 36. The number recording verifies this.

Garscube H A is replaced by Clydesdale H B in position 72. This is a best guess.

Lochaber replaces Irvine AC A in position 23.
