THE wraps came of McCafferty, 1970 model, in the Midland District Championship at Lenzie last Saturday. Over four laps of an undulating 1½ miles circuit of firm farmland, he went into an early lead which he increased remorselessly to 400 yards at the finish, despite appearing to run on a rein—an impressive start to what could be his year of greatest achievement. Behind him, the pattern was set early, with Knox, Myatt, Johnstone, Maclagan and Alex Brown content, it seemed, to maintain their positions. Colin Falconer, a Junior who looks like a Youth and runs like a Senior, won the Junior title but is ineligible at present to count for Springburn in team events.

Strathclyde University, with their six counters strategically spaced from third to 38th, won the team title from Law, who had no sting in their tail. Victoria Park also failed in this respect, with three runners inside the first dozen and yet trailing in sixth place.

The organisers, led by Bob Dalglish, are to be congratulated on a splendid promotion. The course was excellent, clearly marked and marshalled, and there was enthusiastic co-operation from the farmer, who moved gates and shifted flocks to provide the exact requirements. Stripping, organisation and information facilities in Lenzie Academy were first-class, and the only grouse was outside the control of the organisers—the distance between headquarters and the course. But, secretly, I think the old cross-country types rather enjoyed the rugged journey to the start!
