McCafferty and Brown take step nearer Munich

By RON MARSHALL

Jim Brown and Ian McCafferty took a step nearer Munich at the weekend when they plumbed depths of stamina that left a huge field in the Midland cross-country championship helpless to respond.

Brown, the 19-year-old Monkland Harrier, retained the title at Bellshill and thus kept his unbeaten record in domestic competitions this winter, but what a challenge McCafferty offered in only his second outing of the season — his previous having also ended in defeat by Brown.

Sporting a Mexican-type moustache and long hair, McCafferty gave the holder the treatment he had been hoping to avoid — a hard, punishing contest.

After the race, which Brown won by six seconds, he said: "I had been hoping for an easy one here today, because of the San Sebastian race next Sunday, but there's no doubt about it — McCafferty's fit all right, I thought he ran very well."

Two-man race

The trail was three laps of about two miles each, and after the initial exuberant flurry from those who wanted to experience the feeling of being near the front for at least some of the time, it was strictly a two-man race. At two miles Brown was leading by 15 yards, the gap narrowing to three or four after four miles. By this time Alistair Blamire was all of 200 yards away in third place.

The pattern of the contest was such that McCafferty was making ground on his quarry on the flatter, faster sections whereas Brown came into his own on the hilly parts. When they came into sight at the finish the Monkland runner was about 50 yards ahead and not likely to lose, but McCafferty to his credit drove

on, perceptibly cutting the deficit in the last few strides. He must have been about 30 yards down as Brown reached the finish.

Blamire, in third place, was satisfied with the way his fitness was progressing, and in fourth place Eddie Knox gave probably his best performance of the season. Shettleston kept the senior team title, with Clydesdale doing well by finishing runners-up.

Jim Thomson (Law and District) was again a class above his opponents in the youths' race, although Springburn were far and away the best team, taking second, third, and fourth places. Results —
