## North Championships at Inverness

---

192 competitors took part in the North of Scotland Amateur Athletic Association's Cross Country Championships on Saturday, starting and finishing at the Queen's Park, the Bught, Inverness. Excellent weather conditions prevailed, although the going was heavy, and the mud-spattered competitors welcomed the hot showers and baths available at the end. In all four groups the team championship trophies were retained by last year's winners, and in the junior section, Ian Mackenzie of Forres Harriers retained his individual title in a time of 35 mins. 17 secs., greatly improving his last year's time of 36 mins. 58 secs.
