## **Naim**

ALAN REID was in outstanding form when winning the men's title for the fourth time in eight years while Angle Ross was equally dominant when picking up her first ever women's championship, *Fraser Clynne reports.*

Reid took control right from the gun and the outcome was never in doubt as he powered away from his opponents and eventually came home over two minutes clear of 1987 and 1988 champion Ross Arbuckle who led Keith and District AC to a successful defence of the team title.

Former Scottish junior international Malcolm Bain, winner of the U20 title in the previous two seasons, stepped up to the senior event and claimed third place while Frankie Barton collected the M40 award in fourth spot.

In the M40 race, Doug Cowie just got the better of Graham Milne, who had the consolation of leading Moray to the vet team title.

Former Scottish schools international Kevin McAlpine defeated Sandy Scott and Jonathon Cowie to add the U20 crown to the U13 and U15 awards he had won in 1991 and 1993 respectively.

Niall Cameron (U17), Craig Poole (U15) and Mike Chisholm (U13) were all clear winners of their respective age group titles.

Angle Ross won the women's race with a clear win over Jenny Rankin who helped Inverness Harriers take the team prize for the fifth time in seven seasons. Inverness celebrated other individual successes with Ann MacLean taking the W35 championship and Alison Campbell the U17 title. Ruth McCallum took the U20 women's prize.

The 1995 U13 winner Joanne Logie defeated defending champion Debbie Hastie to take the U15 title.

There was a surprise in the U13 race in which Lorna Paton, undefeated in the North league all season, finished sixth with Sarah Gibb coming through to take the title ahead of Jennifer Main and Emma Thomson.
