

O'NEILL IN CONTROL.

W. O'Neill, Doon, was also favourite for the South-Western title. He never lost control of the race from Milliken Park recreation ground, to run out winner by 60 yards from W. Stevenson, Eglinton Harriers. J. M. Sellars, Paisley Y.M.C.A., was a good third.

Eglinton, like Springburn, won the South-West team race very easily, and their aggregate was even smaller. Their total was 60 points, or 53 fewer than that registered by Doon, who were again runners-up. — Glenpark were third with an aggregate only ten points more than Doon's.
