## NATIONAL RELAYS

### A message from the CONVENER OF THE ROAD RUNNING AND CROSS COUNTRY COMMISSION

A warm welcome to all athletes, spectators and officials to Hawick this afternoon.

Today's event marks a milestone for cross country in Scotland as it is the first joint National Cross Country Championships for men and women, boys and girls.

Our thanks are due to Peter Scott makers of Scottish knitwear for their financial support for today's event and to members of Teviotdale Harriers for their time and effort.

I wish everyone an enjoyable afternoon with hopefully some good weather.

ROBERT L. McSWEIN, Convener

### A message from our sponsors

It gives me great pleasure to welcome both spectators and competitors participating in the Scottish National Relay Championships being held at Hawick Moor.

We at Peter Scott and Company have sponsored our local Teviotdale Harriers Club for many years and we are delighted to be the main sponsors for this prestigious Scottish Championship.

We believe this is a somewhat unique occasion whereby both ladies' and men's events are being held on the same day and at the same location, so special congratulations are in order to the race organisers and officials for their efforts in preparing for today's meeting.

On behalf of Peter Scott and Company we trust that all of you taking part will have a great day's running.

Good luck to you all.

R. A. Wight  
Managing Director, Peter Scott and Co. Ltd.

## ACKNOWLEDGEMENTS

The Convener, Officers and Members of the Road Running and Cross Country Commission wish to express their grateful thanks to all who have helped with the organisation and running of today's Championship.

The assistance of the following is especially appreciated

Borders Regional Council	Roxburgh District Council
Red Cross (Hawick Branch)	Lothian & Borders Police
Hawick News Printing Works	Peter Scott
Mr W. Parker, Pilmuir Farm	Hawick Scouts
Members and friends of Teviotdale Harriers	

## TO ALL TEAM MANAGERS AND CLUB OFFICIALS

Last season the problem of vandalism at changing facilities was once again experienced at cross country meetings. It is a great pity that needless acts can spoil what would otherwise be a successful day and availability of facilities will become an increasing problem if they continue to occur. Could all team managers and club officials please make every effort to ensure that athletes of their club behave in a proper manner.

## Relay Championships of 1982

Today's event is not the first National Cross-Country Relay Championships to be held at Hawick Moor Racecourse. In October 1982 the Scottish Cross-Country Union National Relays were held here although the trail is somewhat changed from the one of that day.

The senior winning team was the Edinburgh Southern Harrier quartet of Colin Hunter, Ian Elliot, John Robson and Allister Hutton. The winning margin was 42 seconds with Bellahouston Harriers edging out I.B.M. Spango Valley by one second for second place.

Times certainly change in the fortunes of some clubs as you would have to go down to 30th place to find the host club Teviotdale Harriers, despite a good first lap by Brian Emmerson handing over in 5th place. The results also show a young Andy Fair bringing Teviotdale "B" from 54th to 39th on the second lap.

The Young Athletes title went to Edinburgh A.C. by 7secs from Cambuslang Harriers. The capital club had Gary Brown now a senior track internationalist running the senior boys leg. The third place finishers Edinburgh Southern Harriers had current British steeplechase internationalist Tom Hanlon on the same leg.

## Oldest cross-country trophy race in Scotland?

Hawick Moor Racecourse is the annual venue for what in all probability is the oldest cross-country club trophy race still in existence in Scotland.

In 1894, today's host club, Teviotdale Harriers, staged a three-mile event of four laps of the racecourse for a magnificent 36-inch-high trophy donated by patrons of the Hawick club and known simply as Teviotdale Harriers Cup. The inaugural race was to have been held on 31st March but was postponed until 7th April when it was discovered that this would clash with the Gala v. Hawick rugby match! Among 12 rules drawn up in 1894 for the event is one which states: Should the club become defunct, the committee shall sell the Cup and remit the proceeds to Hawick Cottage Hospital.

It has always been the aim of members of Teviotdale Harriers to win the coveted Cup and it is true to say this "blue riband" of the Hawick club races, now approaching its 100th anniversary, takes preference over winning the club championship!

The record for the event is held by Ian Elliot at 14 minutes 28 seconds, set in 1975; Grant Moyes, holder in 1987 at the age of 48, is thought to be the oldest Harrier ever to win; while Bill Yule has the distinction of a record number of successes, winning in 1955, 1968, 1970 and 1973.
