

SCCU NATIONAL RELAY CHAMPS IRVINE 27TH OCTOBER

DUNDEE HAWKHILL HARRIERS maintained their unbeaten record in relay running this season to win the national championship for the first time on a wet and windy afternoon at Irvine's Beach Park, *Fraser Clyne reports.*

Welshman Chris Hall brought the Hawks through in sixth place at the end of the opening leg, finishing 100 metres adrift of Kilbarchan's Bobby Quinn who clocked what turned out to be the fourth fastest time of the day.

Kilbarchan could not maintain pole position for long however, and it looked as though Peter Faulds would give Falkirk the lead at the end of stage two but a superb effort from Belfast native Pat McCavana over the last half mile eased Dundee into a narrow lead.

Ian Campbell, the only Scotsman in the Dundee quartet, stretched his team's lead to 13 seconds on the third leg, with the only remaining threat coming from Cambuslang Harriers and Springburn Harriers.

But the Taysiders still had to play their ace card, fielding Peter McColgan, the national cross-country champion of both Scotland and Northern Ireland, on the final leg. The Northern Ireland steeplechaser zipped round the course in 11:23 to give his side a winning margin of 33 seconds over Springburn who had overtaken Cambuslang in the closing stages to lift the silver medals.

The expected challenge from Western District cross-country relay champions Annan and District was diluted by the non availability of recent recruit Steve Binns. Steve Oveti turned in yet another magnificent performance to bring the south of Scotland team up from 20th to eighth place on the third leg with the fastest lap time of the day of 11:20

Nat Muir shared second fastest individual time (11:23) With Peter McColgan. Muir's rehabilitation as a cross-country runner looks almost complete and he was unfortunate not to reward Shettleston with a place in the top three with his outstanding last lap effort.

The reigning champions Teviotdale

Harriers had to settle for fifth place on this occasion with Falkirk Victoria sixth.

Dundee's confidence is now sky high as the countdown begins towards the prestigious eight-stage Edinburgh to Glasgow road relay next month. The Hawks' strength in depth is such that their 'B' team finished 10th at Irvine without having to call upon athletes such as Scottish internationals Peter Fox and Dave Beattie nor Welshman James Hill. Clydebank AC won the Young Athletes' title for the fourth time in seven years, relegating champions for the past two seasons, Victoria Park AAC, to fourth place.

JW Kilmarnock Harriers, who had finished third in the Western District relays one week earlier, took the silver medal position ahead of Eastern District bronze medallists ESPC AC.

SCCU NATIONAL RELAY CHAMPS IRVINE 27TH OCTOBER 1990

DUNDEE HAWKHILL HARRIERS maintained their unbeaten record in relay running this season to win the national championship for the first time on a wet and windy afternoon at Irvine's Beach Park, Fraser Clyde reports.

Welshman Chris Hall brought the Hawks through in sixth place at the end of the opening leg, finishing 100 metres adrift of Kilbarchan's Bobby Quinn who clocked what turned out to be the fourth fastest time of the day.

Kilbarchan could not maintain pole position for long however, and it looked as though Peter Faulds would give Falkirk the lead at the end of stage two but a superb effort from Belfast native Pat McCavana over the last half mile eased Dundee into a narrow lead.

Ian Campbell, the only Scotsman in the Dundee quartet, stretched his team's lead to 13 seconds on the third leg, with the only remaining threat coming from Cambuslang Harriers and Springburn Harriers.

But the Taysiders still had to play their ace card, fielding Peter McColgan, the national cross-country champion of both Scotland and Northern Ireland, on the final leg. The Northern Ireland steeplechaser zipped round the course in 11:23 to give his side a winning margin of 33 seconds over Springburn who had overtaken Cambuslang in the closing stages to lift the silver medals.

The expected challenge from Western District cross-country relay champions Annan and District was diluted by the non availability of recent recruit Steve Binns. Steve Overt turned in yet another magnificent performance to bring the south of Scotland team up from 20th to eighth place on the third leg with the fastest lap time of the day of 11:20.

Nat Muir shared second fastest individual time (11:23) with Peter McColgan. Muir's rehabilitation as a cross-country runner looks almost complete and he was unfortunate not to reward Shettleston with a place in the top three with his outstanding last lap effort.

The reigning champions Teviotdale Harriers had to settle for fifth place on this occasion with Falkirk Victoria sixth.

Dundee's confidence is now sky high as the countdown begins towards the prestigious eight-stage Edinburgh to Glasgow road relay next month. The Hawks' strength in depth is such that their 'B' team finished 10th at Irvine without having to call upon athletes such as Scottish internationals Peter Fox and Dave Beattie nor Welshman James Hill. Clydebank AC won the Young Athletes' title for the fourth time in seven years, relegating champions for the past two seasons, Victoria Park AAC, to fourth place.

JW Kilmarnock Harriers, who had finished third in the Western District relays one week earlier, took the silver medal position ahead of Eastern District bronze medalists ESPC AC.
