WALTER BANKS

PRESIDENT
SCOTTISH CROSS COUNTRY UNION 1981-82

On behalf of the Scottish Cross Country Union I extend a warm welcome to athletes, officials and spectators to the 85th National Championships, the principal event in our Scottish cross country calendar.

We are pleased, within a short space of two years, to return to Irvine, the venue for the successful 1980 Championships, and this demonstrates the Union's high regard for the facilities available at the Magnum Centre and for the varied and testing nature of the courses over the Beach Park.

Our grateful thanks go out to the sponsors for the Championships and to the Organising Committee under the able Convener-ship of Mr Jim Young.

I wish you all a happy and successful day's sport.

JACK CARSON

CHAIRMAN
MAGNUM JOINT COMMITTEE

I wish to extend a very warm welcome to all competitors, officials, guests and spectators to today's event which is always the highlight of the Scottish Cross-Country Union's calendar.

I believe that, in the Beach Park and the Magnum Leisure Centre we have facilities unrivalled in this country and it is good to see national organisations such as the S.C.C.U. recognising this.

I believe every community should have access to facilities such as these not as of privilege but of right.

I trust the competition is keen and wish all competitors every success.

HAROLD WHITSON

CHAIRMAN
IRVINE DEVELOPMENT CORPORATION

The general public may be forgiven for thinking a new town development corporation's role is only geared to industry and commerce. Obviously, in these very difficult times, much of Irvine Development Corporation's effort must be directed towards attracting new industry and employment to the town. But equally important is the Corporation's role in stimulating social development; in providing the facilities to enable everyone to enjoy a fuller and happier life.

The Corporation has therefore, over the years, focused considerable attention on leisure and recreation development, both for the benefit of local people and to generate commercial interest in Irvine's tourist potential.

Irvine Beach Park is one such development. It therefore gives me great pleasure to welcome the Scottish Cross-Country Union's National Championships to the Beach Park for the second time.

May I extend, on behalf of my Corporation colleagues, best wishes for a most enjoyable and successful event and hope that we shall soon see this event being staged in the Beach Park every year.

TOM DICKIE

CONVENER
CUNNINGHAME DISTRICT COUNCIL

On behalf of Cunninghame District Council may I extend a very warm welcome to competitors, officials and spectators attending the 1982 Scottish Cross Country Championships. There will be runners who are desperate to win, others who hate to lose, and many who could win if it wasn't for those who can run faster! Regardless of the level of ability or motivation we hope that there will be good, enjoyable sport for one and all.
