HARRY QUINN

PRESIDENT
SCOTTISH CROSS COUNTRY UNION

On behalf of the Scottish Cross Country Union, I would like to welcome all competitors, guests and officials to the 92nd National Championships, being held for the first time in the Scottish Border town of Hawick, at Wilton Lodge Park.

The S.C.C.U. is proud that our sponsor today is the world famous Pringle of Scotland whose quality and design of knitwear makes them one of the leaders in this field of manufacturing.

The excellent facilities at Hawick High School for stripping and administration are provided by the Education Department of Borders Regional Council. We ask everyone using the School to do so with respect.

The layout of courses is up to the usual high standard expected at National Championships and has been organised by the Convening Committee of Teviotdale Harriers, assisted by Roxburgh District Council.

We thank all who have assisted in any way in the promotion of the National Championships.

We ask you to join us in congratulating Teviotdale Harriers in this their centenary year and that we all take away happy memories of the Borders town of Hawick.

DON'T LET IT HAPPEN IN HAWICK!

Recent reports of vandalism at cross-country events is giving cause for concern. Not only is this type of behaviour damaging other people's property, it is damaging the sport of amateur athletics and must be curtailed now.

It is a great pity that needless acts can spoil what can otherwise be a successful day for competitors, officials and spectators, so it is up to everyone to see that it does not happen in Hawick today. Such incidents can only serve to bring the sport into disrepute and make it all the more difficult for organisers to obtain future premises and sponsors.

The Convening Committee appeal to all team captains and club officials to make every effort to see that athletes under their supervision behave in a proper manner and also report any acts of misbehaviour by other runners to a S.C.C.U. official.

It is regrettable that it has been necessary to make this appeal, but it must be made and made in the strongest possible terms, so that the problem is highlighted and the proper action taken.
