## **MESSAGE OF WELCOME**

February always brings a sense of anticipation as the National, the pinnacle of the Cross Country season, approaches. For weeks beforehand athletes and coaches travel to Callendar Park to check out the course and this year, with enforced course alterations, share their views on social media as to whether it will be easier or harder. The National is always hard a true endurance test.

Although the course has been unchanged for 10 years in years passed we raced over a variety of courses around the park. This year our thanks must go to officials of Falkirk Victoria Harriers for designing an interesting and demanding course that will provide spectators with excellent views of each race as it unfolds.

In these challenging economic times we congratulate Falkirk Community Trust for hosting the Championships at Callendar Park, Falkirk for the 10<sup>th</sup> consecutive year. The popularity of the event, in the heart of Scotland, is underlined by a record entry of 2239 athletes.

Over the past few years the RR&CC Commission has enhanced all its Championships through the Grand Prix Series with the conclusion being the National. Going into this last race the Men's series is lead by Tewoldeberhan Mengisteab (Shettleston H) on 71 points from Murray Strain(HBT) on 53 points. In the Women's series Morag McLarty(Central) leads on 73 points with club mate Jennifer Wetton on 53 points. The National counts for double points.

On behalf of scottishathletics I would like to welcome you to Callendar Park for the National Cross Country Championships part of the Lindsays Cross Country Season which has once again attracted a large entry.

This is the 10th consecutive year that the National Cross Country Championships have been held in Callendar Park and I would like to take this opportunity to thank Falkirk District Council and Falkirk Community Trust for their help and continued support of today's Championship.

For the first time in many years there has been a change made to the course with the large hill at the back taken out as well as part of the big lap which involved running across a golf course. These changes have been made due to deterioration of the land in these areas and have been replaced with more running close to the start and finish line and an up and down section between 2K and 3K making it overall a good cross country course. The senior men's race will see the return of the battle between Andrew Butchart and last year's champion Callum Hawkins, a race not to be missed while the women's race will another great battle between Rhona Aukland, Susan Partridge and Morag McClarty.

My thanks go to the Road Running & Cross Country Commission for organising the event today, the high entry a testament to the work that goes on to ensure that the venue and course are prepared and ready for exciting races. My thanks also to Falkirk Victoria Harriers - the host club, the officials and volunteers who have given freely of their time and turn out throughout the season in all weather conditions to ensure the events go ahead safely.

To all the athletes competing today, I hope you have a successful and enjoyable day.
