There is always something exciting about a relay race whether you are spectating or competing and I am sure that once again today's New Balance National Road Relay Championships will thrill us.

Our new sponsorship from New Balance is most welcome and we thank them for their support in our aim to improve the quality of our events. It shows that we are going down the right road when sponsors of such quality join with us.

It is our third year at Livingston and we appreciate the whole-hearted backing given to us by West Lothian Council. This has ensured the continuing popularity of these Championships to clubs of all sizes and standards.

Also, our thanks go to Martin Hyman and the members of Livingston and District AAC for their preparatory work and their efforts today to ensure that all of us enjoy the event. We do not forget all others who have been or are helping in many different ways to make sure that all goes smoothly.

Road Running & Cross Country Commission

New Balance Athletic Shoes are proud to be associated with the National Road Relay Championships here today in Livingston.

This is just one of the many race events that New Balance are supporting in 2000 throughout the UK. We see these partnerships with West Lothian Council and the Scottish Athletics Federation as important for promoting the brand and its performance values to serious and grass roots runners, particularly in a market place dominated by hype and fashion.

Thank you to all the Officials on duty for their support and to the Athletes competing who we hope enjoy a day of enjoyable and rewarding competition.

Paul Whitehead

UK Marketing Manager

New Balance Athletic Shoes

Thank you for travelling to Livingston in West Lothian for the New Balance National Road Relay Championships.

I hope that you and your club perform well and the training pays off.

This event fits well with the West Lothian Sport for All Strategy.

It demonstrates a genuine partnership between SAF, West Lothian's Sport Council Development Unit, new sponsors New Balance, the host club Livingston & D AAC and the facilities at the Community High School of St Margarets. It provides competition for men and women, juniors, seniors and veterans.

In year 2000 it is one of several athletic events supported by West Lothian Council. A list of 10K Road Races which you may wish to participate in are detailed in the next issue of Athletics Scotland *PB*. We also have supported Sportshall for younger age groups, Indoor for veterans, Cross Country for SDS and Track and Field for BAA Youth Games.

Clearly whilst you are competing in a high level of performance, the relay is part of a bigger picture of Sport For All.

I hope you enjoy the race.

The event was a Men's only Six stage until 1996 when Women's teams started competing. There was no separate Women's Championship until 1998, since then Women have run a Four stage race with championship status.

In the 22 years the event has taken place many clubs and individuals have contributed in the organisation at the various venues. None more so than Martin Hyman of Livingston and District AAC who sought out routes and devised the laps at the 2 Livingston venues. He has been local convenor at 8 of the 22 championships through the years.
