Messages

I am pleased that West Lothian council in conjunction with our partners In Scottish Athletics and the valued volunteers in the thriving local clubs are able to host this championship road racing event again this year. In particular, Lothian Running club were of great assistance in the planning and operation of the event and this continues the great work of club legend Martin Hyman. I hope that all the veteran and senior teams enjoy the competition and their performance rewards the training and effort on the day.

Athletics is still a key sport in West Lothian with development programmes in Sportshall Athletics, Giant Heptathlon and cross country in the schools with pathways in place to the three local clubs who follow this good work up. There is a lively club together officer at Livingston and District Athletics club and their open graded meetings continue to attract a good level of attendances. Lothian Running Club is a hard-working endurance club at championship events and promote events such as the popular Dechmont trail run. Linlithgow Athletics Club continues to manage the Linlithgow 10k and long may that event stay in the fixture list.

I wish you all every success and a safe journey home after a quality cool down and a snack at our host school St Margaret's Academy.

Keir Stevenson Sport and Outdoor Education Manager.

'The Relay Athletics Championships is one of many events being delivered throughout West Lothian contributing towards achieving a lasting legacy. Supplying community individuals with regular opportunities to showcase sporting talents furthermore supports club growth and future sustainability, increasing physical activity levels alongside gaining essential life skills. Athletics has a track record of success throughout a number of years and because of such this is represented throughout the four National Legacy themes highlighted as being Active, Flourishing, Connected and Sustainable. I would like to thank the volunteers and support staff of this event that which is helping to build strong sporting pathways in West Lothian now and for future generations.'

Dave King Executive councillor for culture and leisure,

The first Scottish Women's Road Relay Championships was held at Scotstoun in Glasgow on the 29th January 1972 under the auspices of the Scottish Women's Cross Country Union.

The Scottish Men's 6 Stage Road Relay Championship did not appear until 31st March 1979 under the auspices of the Scottish Cross Country Union. It was devised as a contingency plan for the time that the Edinburgh to Glasgow Relay would be no longer viable due to traffic. This happened on 28/3/1998.

With the advent of the Scottish Athletics Federation there was a rationalisation of the Road Relay Championships. The Senior women's event continued but women's teams also started competing unofficially in the 6 stage relay in 1996. Since 28/3/1998 the women have run a 4 stage Championship in conjunction with the men's 6-stage relay with both races using the mixed long and short leg format.

A Master's Championship was incorporated in 2005 for men and adopted for the women in the new championship in 1998. In 2013 an over 50 event with 4 legs for men and 3 for women was added to the Championship diet.

All of this can be viewed at the Road Running & Cross Country Commission's results Archive which may be viewed at

<http://www.salroadrunningandcrosscountrymedalists.co.uk/index.html>

It contains details of teams, team members, venues, results, entry & finish statistics, programmes and a race analysis. If you have run in these championships you will find your name there.

This is now the 17th year that the Championships have been held in Almondvale, Livingston and once again we are grateful for the continued support given by West Lothian Council. The continuity and the stability of the venue gives an extra edge to the results in that athletes, teams and even statisticians can compare performances with previous results.

We are indebted to the convening committee of Alex McEwan, Alex Jackson and Ted Finch for organising the event along with the course marshals from Lothian RC, Edinburgh AC, Corstorphine AC Hunters Bog Trotters, Central AC, Ron Hill Cambuslang, Livingston & D, JogScotland as well as members of staff from West Lothian Council .

We add to that the many Officials and helpers whose preparation and planning make this event such a success

John Rodger Convener, Road Running and Cross Country Commission

On behalf of scottishathletics I would like to welcome you to the 2015 Scottish National Road Relays being held on this great course in Livingston.

As with other Championship events the entry this year is a record with 139 teams taking part, 55 being women's teams, the highest number since the event started. Athletes to look out for are: Freya Ross, Morag MacLarty, Joasia Zakrzewski, Hayley Haining, Derek Hawkins, Luke Traynor and Ross Houston.

I would like to take this opportunity to thank West Lothian Council who have continued to support this event for the past 17 years and with record entries it is obviously a course enjoyed by athletes and clubs.

My thanks also to the Road Running & Cross Country Commission for organising today's event who ensure that the course and venue are prepared and ready for some exciting battles.

To all athletes competing, enjoy and have a successful day.
